Dated : 23-12-2021

Record is put up today, on a petition filed on behalf of the company.

The workman is present.

The parties filed a joint petition along with a memorandum of settlement praying for disposal of the case in terms of the settlement. The company also files two demand drafts of Rs.9,31,680/- and Rs.1,93,073/- in favour of the workman drawn on Punjab National Bank, Delhi Road, Bamunari, Hooghly, W.B., PIN-712205.

Heard Ld. Advocate for the company as well as the workman.

The workman is examined on dock touching the memorandum of settlement and the joint petition filed by the parties.

Ld. Advocate for the company submits that the dispute between the workman and the company has been amicably settled and the parties have entered into memorandum of settlement.

He also submits that the company has submitted two demand drafts of Rs.9,31,680/- and Rs.1,93,073/- in favour of the workman towards final settlement and payment of gratuity respectively.

Contd....

The examination of the workman on dock shows that he entered into the memorandum of settlement after fully understanding the contents and terms thereof and after considering the same as beneficial to him. It also appears from his statement that he entered into the agreement voluntarily and due to the settlement, he no longer has any grievance against the company. It is also found from his statement that the company is closed at present.

Two demand drafts submitted by the company are handed over to the workman.

Considering the facts and circumstances and nature of the case, submission of the parties and the statement of the workman on dock it appears that the workman has voluntarily settled the matter without any threat, promise, coercion or any undue influence and due to the settlement he is not interested to proceeding with the case.

In the circumstances, it appears that there no longer exists any industrial dispute between the parties. Therefore, the instant application under Section 10(1B)(d) of the Industrial Disputes Act, 1947 is disposed of in terms of the memorandum of settlement as there no longer exists any industrial dispute between the parties.

The memorandum of settlement be made part of the Award.

The Company had its factory at Vill.-Jagannatpur, P.O.-Bamunari, Hooghly, West Bengal, PIN- 712250 wherein manufacturing of biscuits were carried on. It was passing through serious financial problems and incurred a huge loss for certain years before declaration of permanent closure with effect from 6 A.M. of 04.08.2020.

In spite of incurring huge losses, the management always tried to accommodate the employees to the extent it is possible and continued to bear their liabilities, financial and otherwise.

The management through various communications always kept the employees posted about the stringent financial condition including the viability of the organization.

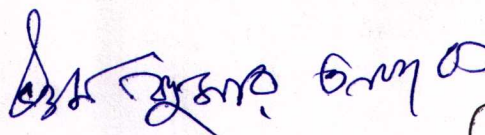

Since the factory has lost its economic viability, the management ultimately by a notice dated 04.08.2020 declared permanent closure of the said factory under Section 25FFA(1) read with proviso (a) to the said section of the Industrial Disputes Act, 1947 by paying one months' wages in lieu of notice and compensation payable as per first proviso to Section 25FFF(1) of the Industrial Disputes Act, 1947(as amended by West Bengal Act No. LVII of 1980) on 03.08.2020. It is pertinent to mention that in the factory as on

04.08.2020 "not more than fifty workmen are employed or were employed on any day of the preceding twelve months to the date of closure". All the persons employed at the time of closure were also paid their entire service benefits, statutory or otherwise, including Gratuity on 03.08.2020 simultaneously along with statutory payments prior to declaration of closure.

Prior to declaration of closure, Sri Uttam kumar Adak was served with an Order of Dismissal dated 04.03.2019 due to his involvement, along with other workmen, in some in-disciplinary activities on 02.03.2019 which squarely come within the purview of Clause 21(1), Clause 21(9), Clause 21(10), Clause 21(13), Clause 21(14), Clause 21(15) of the Certified Standing Orders of the Company. Although, the action taken by the management is punitive in nature but it has been explained in the letter of dismissal that holding of an enquiry prior to imposition of the penalty was not possible

Sri Uttam Adak the concerned workman raised a dispute with the Labour Department, Government of West Bengal. Ultimately, he filed an application under Section 10(1B)(d) of the Industrial Disputes Act, 1947 relating to his separation of employment with the Company before the
